Dear Families,

As the Principal of Hanover Hills Elementary, it is my pleasure to welcome your family to the upcoming 2018-2019 school year. I am looking forward to filling our hallways and classrooms with students who are excited and enthusiastic learners. It is my goal to help every child and family feel welcomed, connected, and part of the Hanover Hills community.

Mrs. Harmon and I have high expectations for even our youngest students and we will work hard to make our time together rewarding and full of positive learning experiences. In addition to exemplary classroom instruction, your child will also have Related Arts, which includes Physical Education, Music, Art, Media and Technology. Our staff will be committed to supporting your student both academically and socially as they grow in our environment. ***More information regarding our ribbon-cutting ceremony, as well as opportunities to visit the school and meet the Hanover Hills team, will be available throughout the summer.***

At Hanover Hills, we value strong home-to-school connections. We believe that your family will be a respected part of our team. We hope that you will become active in our school, whether it is volunteering in your child's classroom, joining us for lunch or recess, or supporting our future PTA. You are your child's first and most important teacher, and we recognize that when a strong home-to-school connection is established and maintained, our students are happier and ready to learn.

Mrs. Harmon and I are honored to serve as the Principal and Assistant Principal of Hanover Hills Elementary School. It is truly a privilege to be a part of a community where families, teachers, and students share a common goal and strive to build positive relationships that support both academic and shared growth. Please feel free to email either one of us at [Troy Todd@hcpss.org](mailto:Troy_Todd@hcpss.org) or [Leslie Harmon@hcpss.org](mailto:Leslie_Harmon@hcpss.org) with any questions or concerns.

We look forward to a successful 2018-2019 school year at Hanover Hills and to begin this wonderful journey with you. Enjoy your summer and we'll see you soon!

Sincerely,

*Troy Todd*
