LEARNING TOGETHER - PEER PROGRAM FOR 3’S: Learning Together at HHES is a part-time program that has been developed for children who are determined eligible for a comprehensive special education program and related services. Our LTP program for 3’s is also open to peers (children) of the same age who can model strong communication and social-emotional skills, as well as positive behavior. If you’re interested in applying for our 3 year old peer program, please see Mrs. Facchiano in the front office for an application.
